Spring Hill Public School QUESTIONNAIRE

Planning is a vital component of any school and I would like to begin obtaining input from community members, parents, staff and students in relations to our school plan for 2013. To start the process I have created a questionnaire that reflects on what Spring Hill Public School does well, what you would like it to do better and things that you believe are note beneficial at our school. It is important to understand that ideas, suggestions and comments are valued, but that all suggestions may not be adopted. The feedback and data will be used as a starting point for future planning. I will collate the information and present the information at the next P&C meeting. The whole staff of Spring Hill Public School will also be contributing to this survey identifying school and home partnerships.

- 1. NAME THREE THINGS THAT YOU BELIEVE SPRING HILL SCHOOL DOES REALLY WELL, AND YOU WOULD BE EXTREMELY UPSET IF THEY CEASED TO EXIST.**

- 2. WHAT ARE THREE THINGS YOU WOULD LIKE TO SEE CHANGE AT SPRING HILL PUBLIC SCHOOL.**

- 3. WHAT ARE THREE THINGS YOU WOULD LIKE TO SEE INTRODUCED AT SPRING HILL PUBLIC SCHOOL.**

THANK YOU FOR YOUR TIME.
