Dear Parents and Friends,

Term 1 has certainly gained momentum with an action packed Picnic in the Playground last Wednesday. The marshmallow and spoon race demonstrated some interesting techniques especially from the Nelson family to ensure the marshmallow didn't fall off the spoon. Thank you to Miss Murray for her efforts creating the powerpoint on last year's Sydney excursion. It was wonderful sharing Wet'n'Wild, Sydney Museum, Hyde Park Barracks, The Fish Markets and surfing at Long Reef with our primary students and Mullion Creek. Great memories!!

Bringing Dogs into the Playground

Unfortunately, due to some students having allergies, family dogs will no longer be permitted in the school grounds.

Mr Barcham

Tomorrow is Mr Barcham's last day at Spring Hill School.

Mr Barcham is currently studying K-12 Education (with a Maths major) at Charles Sturt University. He is also an accomplished pianist, guitarist and he enjoys singing. We wish Mr Barcham all the best and we have enjoyed having him at school.

Raiders Visit

Last Friday Jack and Reece from the Canberra Raiders along with Kyle and Michael visited our school. The boys spoke about the importance of a good night's sleep, a healthy diet, exercise and positive team spirit. It was a great morning and these young men were extremely inspiring.

Pop Up Musical

Author Paul Stafford and Musician Miles worked with our students last week to write the first draft for our Spring Hill song. All the students really enjoyed brainstorming their ideas and watching Miles put these ideas to music. We look forward to the next workshop later this term.

P & C President's Report

Spring Hill Public School P & C Association

2016 President's Report

The Spring Hill Public School P&C has a positive, active and effective role in the way our school, Spring Hill Public School, provides the highest standard of education for all our students.

We do this by giving support to the range of activities that our children undertake at Spring Hill Public School. This includes supporting the music and swimming programs so that all students are able to participate in these activities.

The support we offer is not just financial but also through volunteering. We would like to acknowledge and thank the family members who volunteer for other duties throughout the year.

The P&C could not function properly without a strong, respectful and friendly relationship with every staff member at Spring Hill Public School. We will continue to support this wonderful relationship.

We now have the opportunity to have an even greater involvement in the direction of the future of Spring Hill Public School and the P&C is a great vehicle to have your voice heard. We strongly encourage you to be part of the 2016 P&C and connect with your child's school.
