Worlds Greatest Shave

Hello my name is Finley Gutherson I have recently shaved my head to raise money for the research of Leukaemia. On Wednesday the 29th March Sandra Davis shaved my head. I was a bit nervous to start with but my class mates, parents and teachers cheered me on. First was a strip down the middle and the the sides. At the end I had two strips on the top before they were shaved off.

So far I have raised \$813.00. One of the reasons that made me happy to do this was because my great grandfather died from Leukamia. When he died they were not aware of it but I hope the money I have raised helps scientists find a cure. I am still looking to raise money so if you would like to donate please head to the Greatest Shave website, click sponsor and type Finley Gutherson. Thank you
