Term 2 Week 9

Dear Parents, friends and students,
Just to reassure everyone that we do not have a tent city in our playground but jungle shelters created by our primary students as part of their STEAM problem solving tasks. We still would appreciate some tarps and ropes if anyone can spare them. Last Friday students in the primary class had to design and create furniture only using sticks and ropes. It was a very interesting afternoon.

Homework

Primary: Please encourage your children to read during the school holidays.

Infants: Please remember to read every night and learn your HOTwords. We will be studying Space during term 3 maybe you could do some research of your own.

School Uniforms

With the weather getting colder please remember to send your child to school in warm clothes. We have a lot of school jumpers and jackets being left at school because they don't have names or have a past student's name on them. If you do receive an item of clothing from a past student please remember to write your child's name on it.
