School Uniforms

With the weather getting colder please remember to send your child to school in warm clothes. We have a lot of school jumpers and jackets being left at school because they don't have names or have a past student's name on them. If you do receive an item of clothing from a past student please remember to **write your child's name on it.**

Milo Mondays

This term we will be having Milo Mondays. Hot Milos are \$1 each and money must be paid the previous Friday so staff can buy milk etc over the weekend. Please no cheques as the money will be used to purchase supplies each week.

Hot Lunches- Wednesday and Friday ONLY!

Students may bring in food that can be heated, but please ensure they are wrapped in foil or are in a foil container clearly marked with their name. No food will be able to be microwaved.

Just to give you a few ideas:

Return to work

A big hello to all families new and old!

It's nice to be back at Spring Hill after having the past 10 months off with my beautiful little boy. I look forward to working with you and your children over the rest of the year and being a part of this wonderful small school community again!

This term I will be working with all students across K-6 in Science, History and Personal Development & Health. We will be exploring many interesting topics including The Past and Present, Australia as a Nation and Earth and Space.

If you have any questions or concerns, please make contact to discuss this with me. I am available on Thursdays and Fridays.
