Term 3 Week 10

Dear parents, friends and students,

Term 3 is quickly coming to an end and hopefully all the colds and flu along with it!

Congratulations to all our students who achieved so much in the classroom, on the stage and in the sporting field.

A huge thank you to all my amazing staff and volunteers who go above and beyond every single day. I hope everyone has a relaxing holiday and looking forward to a productive Term 4.

### **BBQ & Mufti Day- 22/9/2017**

This Friday we will be having a special hands on day painting the dinosaurs and murals. Students will also have an opportunity to work with Mr Cheetham and the robotic kits. A BBQ lunch will be provided to all students, staff and parents who attend the day. Students are asked to wear old clothes.

### **Infants Class**

What a wonderful term we have had in the Infants classroom. Students have been working hard and making great gains across all areas particularly in writing which has been a major focus over the past 10 weeks. We have enjoyed discovering old toys and learning what children played with in times gone by. The Solar System has created much excitement as students' explored space in Science.

Enjoy the holidays!

Mrs Ryan

### **Primary Class**

All students attended the Life Education Van today. They explored the decision making process and how to improve these skills by looking at choices, consequences, responsibility, facts and influences. Our Primary students also investigated legal and illegal drugs. Please discuss with your child/children the importance of talking about any concerns, issues or problems they may be having at school or at home.

### Thankyou/Farewell

A big thank you to Miss Ellie and Miss Erin for their efforts in the Infants classroom again this term. Staff and students have loved having them with us and hope they return sometime soon.

### School Planning

We are currently developing our new three year school management plan. Which means assessing and evaluating what we did well, what we can do better and what initiatives do we want to implement through our Strategic Directions Learning and Wellbeing.

We are sending out a survey Term 4 Week 1 and would like you to complete with your child/children. The 3 headings will be 3 things you love about Spring Hill, 3 things you would like to see happen at Spring Hill and what you would like your child to achieve at Spring Hill.

### Premier's Spelling Bee

Well done Finley and Joseph who competed in the Premiers Spelling Bee last Tuesday. Both boys performed well with words such as surrealism, copha and colloquialism.

Finley was awarded a worthy 3<sup>rd</sup> place. Congratulations Finley and Joseph.

### Primary Excursion to Sydney

Just a reminder that the second instalment of \$50 is now due. Please pay this at the office, and remember to keep up to date on the payment schedule.
