Term 1: Week 11- 11th April 2018

Dear Parents, Friends and Students,

As Term 1 2018 wraps up we can all take a huge sigh and reflect on all the many amazing achievements of our students, staff and community. Spring Hill Public school had an incredible start to the term with Picnic in the Playground, OSSA Swimming and Athletics carnivals, Combined Leadership Day, Infants Tabloid Carnival, Our Teddy Bears Picnic, Jack May Cup, Clean Up Spring Hill Day, Cross Country at Clergate Public School and our PP5 competing at the State Carnival on Thursday.

A huge thank you to everyone who helped make Term 1 so memorable and successful. We hope you enjoy the holidays and stay safe.

OSSA Athletics Carnival

Congratulations to all our students who represented Spring Hill Public School on Monday. Well done to Mackenzie Palazzi who won Senior Girl Champion for the day and had PB's in all running events and Michael Stewart who came 3rd overall in Senior Boy Champion. Our PP5 relay team consisting of Zoe, Mack, Jacob and Michael (res Joe) came 1st and have qualified for the regional carnival later this year.

Infants Tabloid Carnival

The OSSA Infants Tabloid Carnival was a fantastic day with over 300 students attending. The weather was magnificent and I'm sure there were many tired blossoms by the end of the day. A special thank you to staff, Primary students and parents who didn't stop running, cooking, and organising students all day and the teachers from the 11 small schools who ran activities. We are looking forward to next year.

Easter Hat Parade

A glorious day with some extremely creative and amazing Easter hats paraded. So lovely to see all our students enjoying the parade and the Easter egg hunt. We are especially proud of several students who willingly shared their Easter eggs with the younger members of our school. Thank you to all those families who donated Easter eggs and brought morning tea.

Please remember that all unsold raffle tickets must be returned to school.

Healthy Lunchboxes

Spring Hill Public School is registered with the Live Life Well and Crunch and Sip programs. We encourage students to be active and eat a healthy and balanced recess and lunch. As we have students who have allergies it is imperative that we do not put foods into lunch boxes that can cause allergic reactions.

Here are a few examples of healthy lunchboxes.
