What do you think will happen to our food scraps and rubbish?

**2,3,4-** In the primary room, we have been doing lots of work on identifying what we can and can't put in each bin.

We have been making posters to encourage people to think about recycling, water and composting to help save our planet.

The Year 3 & 4 reading group have been reading David Walliam's book "The World's Worst Children". They have been immersed in the tales of characters such as Dribbling Drew, Grubby Gertrude and Peter Picker and are working towards writing their own tales of Spring Hill's Worst Children. We can't wait to write our own narratives about Spring Hill's Worst Children!

**5,6-** Students have been working on their Murray Darling Basin research project in HSIE and in Maths Multiplication. Students are getting towards the end of their novel "When a Monster Calls" and completing their booklets.
